What makes our school special:

- ❖ Eagle Point Elementary School was completely remodeled and modernized in 2005
- ❖ Eagle Point Elementary school is a neighborhood school where the emphasis is on the success of the individual student. Our highly qualified teachers and ideal staff to student ratio translate to individual attention for our students.
- ❖ The school staff examines each child's abilities and develops a plan to guarantee the academic success of the individual child.
- ❖ Our Mission is "to help students attain the skills necessary for both academic and life long success, and learn respect for themselves and others".

Parent Support and Resources

- ❖ Eagle Point Elementary School has an excellent staff of service providers who advocate for our students and are accessible to our families in person, by phone or email. ([STAFF E-MAIL](#))
- ❖ Our after school program is through the YMCA daily until 6:00 PM.
- ❖ We offer Seal-a-Smile Dental program; routine hearing & vision exams.
- ❖ Teachers communicate with parents on a variety of topics via a monthly newsletter. The monthly school calendar is also a way for parents to keep abreast of activities and events held at school.

Preparing for Educational Success

- ❖ Eagle Point Elementary defines success based on the standards of the State of New York. Our curriculum is structured so that students are disciplined and guided through the elementary curriculum with the help of the classroom teacher and the support personnel.
- ❖ Elementary students in grades 3,4,5 and 6 must take state exams and pass them in the areas of English Language Arts, Mathematics, Science and Social Studies. The school uses a variety of methods to assess student growth and then to provide a prescriptive program to increase student strength.
